The 2023 4th International Conference on Education Development and Studies

The 2023 4th International Conference on Education Development and Studies (ICEDS 2023) will be held at University of Hawaii at Hilo, USA during 17-19 March, 2023. The ICEDS is an international refereed conference dedicated to the advancement of the theory and practice of education. The ICEDS promotes collaborative excellence between academicians and professionals from Education, aiming to build strong networks of leading researchers and pioneers in education worldwide. Furthermore, ICEDS will provide an opportunity for academicians and professionals from various educational fields with cross-disciplinary interests to bridge the knowledge gap, promote research and the evolution of pedagogy. We welcome all the researchers, students, scholars and professionals in the related fields to attend the conference.

CALL FOR PAPER
